

*Civil Engineering and Building Contractors*

**HADSPHALTIC SCHOLARSHIP**

Hadsphaltic International Ltd. is inviting applications from suitably qualified Caymanians for a scholarship in one of the following construction disciplines: Civil Engineering, Construction Management or Quantity Surveying.

The amount of the award will be negotiated and it is anticipated for a maximum of a period of three years.

Applicants should either be prepared to commence their studies in Fall of 2009, or already be enrolled in a suitable University.

This is an excellent opportunity to join one of the major construction companies in the Cayman Islands, gaining experience during Christmas and Summer vacations, and on a full time basis after graduation, for a period of at least two years.

**Please apply in writing by sending full details to:**
