Scholarship Opportunities

Deloitte's scholarship programme has given bright young Caymanians the opportunity to earn an excellent education and professional experience in a dynamic firm. Many of our scholarship recipients are successful in their careers here at Deloitte and many have been promoted to senior management roles within the firm.

Scholarships are available at the Gold and Platinum levels. The Gold level allows a high school graduate to pursue an Associate's or Bachelor's degree at either University College of the Cayman Islands or International College of the Cayman Islands in accounting or a discipline that allows the candidate to pursue a career at Deloitte in the Cayman Islands.

The Platinum level scholarship will be awarded to the successful student, upon graduation from high school, to attend university overseas to pursue a Bachelor's degree in a subject that will allow the candidate to pursue a career at Deloitte in the Cayman Islands.

To apply for a scholarship visit http://careers.deloitte.com/cayman-islands/students/country_custom1.aspx and apply before May 1st.
