Quality Control

The work of all learners is subject to external verification.

Why Level 3 Diploma on Vocational Paralegal

This vocationally-related programme of study is designed to provide a qualification that is relevant and current in the legal environment of the Cayman Islands. The emphasis is competency based learning and practical application. Students have to complete a number of assignments under controlled conditions to test their knowledge. By satisfactorily demonstrating their practical skills and competencies the students exhibit their understanding of the knowledge required.

The Diploma in Paralegal Studies is ILEX approved. The Units are tailored to ensure they are relevant to the legal environment of the Cayman Islands.
